VEText Appointment lists	By texting “APPT”, “APPTS”, or “Appointments” to any previously sent VEText message, Veterans will receive a list of appointments in a text response to their mobile device.	Appointment lists now have the ability to show those scheduled within the next 30, 60, or 90 days. This service is available 24 hours a day, 7 days a week. This additional benefit can help Veteran’s plan for their future visits and <u>reduces the risk of them missing their appointment.</u>
Medication Refills/Renewals	<p>When you have available prescription refills remaining, you can refill medications using the automated telephone medication system. You can also request a renewal of a prescription that has no refills using this system. You do not need to speak to your healthcare team.</p> <p>My HealtheVet users can also refill any prescription with refills remaining. If no refills are left, you can contact your healthcare team via Secure Message to request a renewal of your prescription.</p>	<p>To refill or request a renewal of your VA medications with your prescription number, dial your local facility’s main line and select the medication refill option.</p> <p>MHV FAQs:  <a href="https://www.myhealth.va.gov/mhv-portal-web/faqs#PrescriptionRefill">https://www.myhealth.va.gov/mhv-portal-web/faqs#PrescriptionRefill</a></p>
VA Online Scheduling Manager (VAOS)	This allows you to view and cancel appointments. Schedule appointments with Primary Care, Mental Health, and some specialty clinics. You may also request appointments in Primary Care and/or Mental Health and select specialty clinics.	You can access the Online Scheduling Manager after logging in to <a href="#">My HealtheVet</a> .
Patient Check-in Tool	<p>Have an appointment? Check-in with your cellphone on the day of your appointment and in the clinic area.</p> <p>Wait until you get a text back with a link and start by clicking on the link.</p>	Text check-in to 53079 or scan this QR code:
